

## Canaveral Council of Technical Societies

### 46<sup>th</sup> Space Congress<sup>®</sup>

### *\*Sponsorship Opportunities\**

The 46<sup>th</sup> Space Congress<sup>®</sup> will be held February 26<sup>th</sup>- 28<sup>th</sup> in 2019 which is the celebrated year of the 50<sup>th</sup> anniversary of the Apollo 11 Moon Landing. We are excited to host this event on such a memorable year so please join us as we focus on the next steps of space exploration. The conference will again be held at the Radisson Resort at Port. **"Light the Fire"** is the theme for the 2019 event. The program will feature panels and notable speakers covering such topics as Space Tourism, Human Spaceflight (including NASA's Space Launch System (SLS) and Commercial Crew programs), Astronomy (most recent discoveries and future platforms) as well as special sessions and speakers covering STEAM (Science, Technology, Engineering, Art and Math) the evolution of our local Spaceport (consisting the Eastern Test Range and NASA Kennedy Space Center) and a number of emerging and enabling technologies in the field of space exploration and aeronautics.

Attendees: Individuals and organizations interested in space, aeronautics, emerging technologies and the program topics planned for this event. Past participants have included people from all walks of life: space industry workers and managers, NASA, AF, students, engineers, scientists, educators, as well as interested individuals from the general public.
